Inside Student Support Services

Vision/Purpose

TRiO Student Support Services is dedicated to increasing graduation and retention rates and promoting entrance into graduate school based on student interests. Our purpose is reinforced by workshops that are geared toward academic success and personal development, and cultural outings that foster exposure and enrichment. We also offer tutorial and advising services to engage and assist students, and Faculty and Peer Mentoring as a way to ensure participant success throughout their academic career at Fort Valley State University.

Did You know ?

Nationally, students participating in Trio Student Support Services are more likely to remain in college than those students from similar backgrounds.

What is TRiO/SSS?

TRiO Student Support Services is a federally funded program that provides a supportive environment and added support for those students that are classified as first generation students, income eligible, or having a documented disability.

Program Expectations
