Units: Academic Degree and Gen. Educ. Programs Student Learning Outcome

Start: 7/1/2012

End: 6/30/2013

Providing Department: Commercial Design

Program Objective

Increase Enrollment

Assessment Criteria

The unit will increase enrollment by 10 % from the previous year of 2011-12. This will be evidenced by the enrollment report from the office of admissions.

Assessment Results

The unit did not meet the goal. The unit had a 8% increase in enrollment from fall of 2011 (32)to fall of 2012 (39).

Use of Results

To increase effectiveness, the unit continued to use empowering strategies for the program to contribute to the growth in enrollment in the program.

2: Commercial Design

Member Responsible:

Units: Academic Degree and Gen. Educ. Programs Student Learning Outcome

Start: 7/1/2012

End: 6/30/2013

Providing Department: Commercial Design

Program Objective

Increase Student Retention

Assessment Criteria

The program will retain 80% of its program participants. This will be evidenced by the retention report from the office of Institutional Research Planning and Effectiveness.

Assessment Results

The unit did not meet the goal.

Use of Results

To increase effectiveness, the unit continued to use empowering strategies for the students to help to continue growth in retention of the program.
